Smith Tower, built in 1914, is the original skyscraper in Seattle, and was the tallest building west of the Mississippi River at the time. It has remained a cultural icon of the city, offering breathtaking panoramic views and spectacular architectural beauty.

The observatory has an open-air observation deck, 360-degree views of Seattle and beyond, and a speakeasy-style bar where you can enjoy a locally-inspired [menu](#) of shareable plates and classic cocktails.

The observatory and bar is a great happy hour destination during the holidays, with the convenient downtown location with holiday shopping. The bar is a great, cozy hideaway with beautiful views of the festive city and lights and special December cocktails.

Smith Tower is featuring some festive cocktails specials this month, all of which can be tailored by choice of liquor. It's a fun mix and match concept:

- **Hot Buttered Rum** – Don Q Añejo Rum, Hot Buttered Rum Mix
- **Eggnog** – Spiced Rum, Cognac, Amontillado, House-Made Eggnog
- **Coquito** – Non-Alcoholic Tropical Eggnog, Coconut, Maple, Vanilla, Baking Spices
