

10 MUST-SEE SECRET SPOTS IN SEATTLE

April 14, 2017 • by Brenna Ciummo

Stunning vistas, mouth-watering cuisine, world-famous attractions...Seattle has it all! Now that you've checked off the Space Needle, Monorail, Experience Music Project, Pike Place Market, Seattle Aquarium and maybe a Mariner's game from your list, there's even more to explore if you know where to look. The city brims with cool, hidden gems that make a trip to a new place extra memorable. Head off the beaten path and discover a side of the city you didn't know existed with our insider's guide to Seattle's best kept-secrets!

1. SMITH TOWER

One of Seattle's most iconic landmarks, the [Space Needle](#), gets all the buzz for its spectacular views (*and they are indeed amazing*), but it's not the only building in town that offers a bird's eye view of the city and the surrounding areas. Originally the tallest building in Seattle (circa 1914), the historic [Smith Tower](#) offers 360-degree views of downtown Seattle, Space Needle, stadiums and the waterfront.
